

Bogus Council Official

Lichfield District Council has received reports that someone calling himself "Richard" is posing as a Council Officer and calling at local homes. He has left a variety of messages asking people to call him back, either about building work or a £25,000 prize draw. On all occasions he has left the following number 0845 303 2637.

When called the number gives you a message asking you to leave your number.

LDC Can confirm that "Richard" is not calling on behalf of the council and advise any resident not to return the call. The Police and Trading Standards have been informed.

"Richard" may move over the border to Tamworth, so be on your guard.

You should contact the organisation a person claims to work for before giving out your personal details.
