

Staffordshire Parent Partnership Service – Skillshare Project Consultation Questionnaire

Skillshare is about providing training events for parents and carers of children with special needs or disabilities. We want to make sure that these are held in accessible locations and at times that suit parents and carers.

It is hoped that voluntary groups will work with us on these events and that more parent/carers support groups will be formed as a result of this project.

Please would you answer the following questions to help ensure that the training events are both useful and relevant to your needs? If you would like to receive the newsletter of the Parent Partnership Service, “Parents in the Know”, informing you of future events, please supply your name and address overleaf.

1. What topics or issues would you like covered by a training event?

2. Where in Staffordshire would you like training to be held?

3. What times of day, and what days of the week, are best for you to attend training events?

- | | | | |
