

Mobile Phone Text Cancellation Service.

A suggestion has been made at our Parent Forum to implement a Mobile Phone Text Cancellation Service, which will enable you to text us any booking/activity cancellations.

We will also be able to contact you via text to inform you of any activities/sessions we may unfortunately have to cancel.

Please register your mobile phone number with us stating your full name and your child's full name to 07976191032.

Please note this number is only to be used for texts regarding cancellations. You can contact Reception at any point via our centre telephone number 01782 297970 for any other queries.

We hope this will be a useful communication method; we'd appreciate your thoughts and feedback on this new service.

Thanks

Family Activity Team June 2009
