

# Ways you can help continue the success

- Walk or cycle to school whenever possible
- Use the new pedestrian crossings provided
- Remember (and use!) the Green Cross Code:
  1. Find the safest place to cross then stop.
  2. Stand on the pavement near the kerb.
  3. Look all around for traffic, and listen.
  4. If traffic is coming, let it pass
  5. When it's safe, walk straight across the road.
  6. Keep looking and listening for traffic while you cross.
- When cycling, always remember to wear your cycle helmet
- When travelling in vehicles, don't forget to fasten your seatbelt.
- Always be courteous to other road users
