

Buying Event Tickets?

Are you looking to buy tickets for upcoming festivals, sporting events or concerts? If so take a look at Trading Standards advice to help you protect yourself from fake ticket websites.

There are a lot of legitimate websites and scammers make it difficult for you to spot a fake. It's easy to set up a fancy looking website that looks genuine or has a name similar to a genuine website. Professional fraudsters are at work.

Be aware of how and when tickets for the event are being distributed by checking with the event organiser, promoter or venue where the event will be held.
