

Rogue Tarmacing Traders

Reports have been received from the Tamworth area that rogue tarmacing / block paving contractors are operating in the area. Traders of this nature may travel around to other areas of the County so please be aware.

The traders will appear highly professional as they wear reflective jackets and have glossy leaflets. They are known to use several vehicles.

The traders operate by cold calling, their work is of poor quality and they have an extremely aggressive manner in order to obtain money.

Trading Standards are asking people to be on their guard and to report any such activity. If anybody is approached by such workers please report concerns to the Trading Standards Rapid Response number on 07773 792 252. If you come into contact with the traders and they become aggressive please dial 999 immediately.
