Baby Naming Ceremonies

When families are celebrating the birth of a new baby, a Naming Ceremony is an opportunity to welcome the new child into the family.

Naming Ceremonies can also be used to celebrate adoptive children and step children forming part of a new family.

There are a wide selection of poems, readings and promises that can be included in the ceremony and read by the celebrant or family and friends.

You will be able to choose unique promises to make to your child and select supporting adults from friends and family and also include grandparents within the ceremony.

A souvenir record of the Ceremony will be signed and presented during the event. Naming Ceremonies are available at Registration Offices and all of the venues which have been approved by Registration Services.
