

The following report provides details of all permitted temporary traffic management that is expected to be in operation in Staffordshire for the week ahead.

Contact details for each location have been provided but should you require further information regarding a specific location, or you cannot find the location on this report, you can visit us at:

<http://www.staffordshire.gov.uk/transport/>

## KEY

The information on this report has been grouped by divisional districts that correspond with our local district council boundaries. Within these groups, the data is sorted by town/settlement and then by road name. For cross reference, the divisional codes are:

E1 - East Staffordshire Borough (inc. Burton-upon-Trent)

E2 - Lichfield

E3 - Tamworth

N1 - Newcastle-under-Lyme

N2 - Staffordshire Moorlands

W1 - Stafford Borough (inc. Stone)

W2 - Cannock Chase

W3 - South Staffordshire
