

# Staffordshire Cares - Who are We?

This information is from  
Staffordshire County Council.

You can contact us if you need  
help with your **Social Care**  
needs.

We will contact our social care  
teams who will help you.

We want you to be happy and  
independent for as long as  
possible.

We can help you access  
services in your community.

# Information

We can give you information about...

- your benefits and advice about money

- keeping your home warm and in good repair

- equipment and changes to your home to meet your needs

- help if you are feeling lonely and isolated

- help with managing your everyday activities and routines

- support if you care for other people
