

# Staffordshire Independence Programme

## END QUIZ

*WELL DONE!* You have successfully completed the Staffordshire Independence Programme; you may now be ready to move into your own home! But before that, now you have finished all of the modules, let's see what you've learned...

To complete this quiz, please follow this link (or copy it into your browser): [End Quiz](#)

After you have answered all of the questions, you will be asked to fill in your name, contact details and the name of your Social Worker or Personal Advisor. This is so you can be sent a Certificate of Achievement for completing the programme.

This certificate will evidence the hard work you have put into the modules and show housing associations/Borough Councils that you are as tenancy ready as possible before moving into your own home!
