Dear Ms. Hansard

### **RECEIPT OF PETITION – ABANDON THE NO RIGHT TURN RESTRICTIONS SLADE ROAD/A453 JUNCTION**

I refer to the petition, with 58 signatures, regarding to abandon the No Right Turn restrictions at the Slade Road / A453 junction. I can advise you that receipt of the petition will be reported to Cllr Mark Deaville, Cabinet Member for Highways & Transport.

A Road Safety Audit has recently been completed at this location which identifies improvements and/or changes to the original scheme and an analysis of the accident data. Once this Audit report has been provided, this information will be compiled with an additional review of alternative highway solutions including those highlighted in the petition. This report will then be made available as soon as it has been completed.

Should you require further information regarding your petition please contact Mr. Lee Palser, Senior Engineer (Amey), on 01785 276641.

Yours sincerely

**Amanda Felton**  
**Executive Support Officer**
