Date 28 February 2018

Dear Councillor Smith

### **RECEIPT OF PETITION – BLAKE STREET – CROSSING TO THE STATION**

I refer to the petition, signed by 143 local residents from Blake Street regarding a crossing to the station. I can advise you that receipt of the petition will be reported to Cllr Mark Deaville, Cabinet Member for Highways & Transport.

Tim Heminsley will make contact with West Midlands Rail (WMR), who were recently awarded the Cross-City Link franchise and began running the service in December 2017. He will arrange a meeting with WMR and yourself to discuss this matter, using the petition to support the case for the pedestrian improvements you and the community are seeking.

Should you require further information regarding your petition please contact Mr. Tim Heminsley, Community Infrastructure Liaison Manager - Lichfield and Tamworth on 01543 510166.

Yours sincerely

**Amanda Felton**  
**Executive Support Officer**
