Dear Mr. Lyon

RECEIPT OF PETITION – DOUBLE YELLOW LINES AT THE START OF FOSTER CRESCENT TO JAMES STREET

I refer to the petition and supporting documents, with 73 signatures, regarding double yellow lines at the start of Foster Crescent to James Street. I can advise you that receipt of the petition will be reported to Cllr Mark Deaville, Cabinet Member for Highways & Transport.

Staffordshire County Council takes road safety extremely seriously and as such we welcome communication from local residents offering suggestions to improve areas that are of particular concern to them.

The County Council receives a vast number of requests for improvements to the highway network and I can confirm that this matter has been recorded on the Divisional Highway Programme (DHP) for the attention of the local County Councillor.

County Council elections are taking place in May this year, therefore, this matter will be discussed with the County Councillor for the Kinver area at the earliest opportunity following the election.

Should you require further information regarding your petition please contact Mark Keeling, Community Infrastructure Liaison Manager, on 01785 854676.

Yours sincerely

Amanda Felton
