Dear Councillor Robinson

### **RECEIPT OF PETITION – PROTECTING BARNETT’S FIELD/ CLOUGH HALL PLAYING FIELDS IN KIDSGROVE**

I refer to the petition, signed by residents regarding protecting Barnett’s Field / Clough Hall Playing Fields in Kidsgrove. I can advise you that receipt of the petition will be reported to Cllr Mark Deaville, Cabinet Member for Commercial.

We note your opposition to the inclusion of the site within the development of Newcastle Borough Council’s (NBC) Joint Local Plan and your reasoning behind the objection. It is, however, the intention of the County Council to allow the site to be included in the development of NBC’s Joint Local Plan, along with many other sites for their members’ due consideration.

Should you require further information regarding your petition please contact Mr. Stuart Lane, Strategic Projects - Directorate Support, on 01785 278839.

Yours sincerely

**Amanda Felton**
