Dear Mrs Stanford

### **RECEIPT OF PETITION – PARKING PROBLEMS AROUND ST NICHOLAS FIRST SCHOOL, CODSALL**

I refer to the petition, signed by local residents regarding ongoing parking problems around St Nicholas First School, in Codsall. I can advise you that receipt of the petition will be reported to Cllr Mark Deaville, Cabinet Member for Commercial (including Highways & Transport).

In many of Staffordshire's Towns and Villages inconsiderate and illegal parking can cause road safety problems, congestion, obstruction and considerable inconvenience to residents and businesses.

We receive a vast number of requests from communities for improvements to the local highway network and I can confirm that this matter has been recorded on the Divisional Highway Programme (DHP) for further consideration through the local County Councillor for Codsall Cllr Robert Marshall.

The Divisional Highway Programme supports the Council in providing a balance between the delivery of statutory duties and locally identified problems, within the finite resources available.

Should you require further information regarding your petition please contact Mark Keeling, Community Infrastructure Liaison Manager, on 01785 854676.

Yours sincerely

**Amanda Felton**  
**Executive Support Officer**
