6 April 2017

Dear Mrs. Lateef

RECEIPT OF PETITION – OBJECTIONS TO PROPOSED PROHIBITION AND RESTRICTION OF WAITING AND PARKING PLACES CLARENCE STREET AND QUEEN STREET

I refer to the petition, with 12 signatures, objecting to the proposed prohibition and restriction of waiting and parking places on Clarence Street and Queen Street. I can advise you that receipt of the petition will be reported to Cllr Mark Deaville, Cabinet Member for Highways & Transport.

Following the representations made in this petition, a report will be written in which it will be decided if the benefits to road safety outweigh the need for on street parking or if there can be any amendments made to the current proposals. Once this has been completed we will inform you of the outcome.

Should you require further information regarding your petition please contact Tim Buxton, Community Traffic Management Officer, on 01543 510197.

Yours sincerely

Amanda Felton
Executive Support Officer
