

EDUCATIONAL HEALTH CARE

PLAN SUPPORT EVENT

TUESDAY 23RD JANUARY 3PM - 7PM

If you are a parent or carer of a young person with an Educational Health and Care Plan (EHCP) who is considering their next steps, please come along to our information event designed especially for learners with EHCP's.

This event will give potential learners and their parents/guardians the opportunity to visit the college and speak to some of the staff who will be assisting learners while at college.

There will be staff from our Additional Learning Support Team as well as our Admissions Team and Advice and Guidance Team.

Should you require more course specific information we can arrange a one-to-one appointment with a member of the curriculum team.

We look forward to welcoming you to Burton and South Derbyshire College.

Please note: If you have previously met with a member of the team, or made a formal application, you do not need to attend this event.
