Dear Sir/Madam,

Please find enclosed the District Licence WML-OR148-3 issued to Local Planning Authorities (LPAs) for DLL schemes covered by NatureSpace applications. This licence includes those LPAs that has joined the scheme under the Staffordshire Conservation Strategy.

This licence supersedes the existing Staffordshire District Licence (WML-OR148-1) to reflect updates to the Form 1 Technical Fundamentals agreed on 8<sup>th</sup> July 2025. The licence period remains unchanged, 29<sup>th</sup> January 2024 until 28<sup>th</sup> January 2027.

The Conservation Strategy documents are available if required. The licence is covered by a NERC (Natural Environment and Rural Communities) Agreement, agreed and completed 19<sup>th</sup> October 2023.

If you have any queries about the licence or the Annexes, please feel free to contact us to discuss further.

Best wishes

Jenny Hooper
