Application Form

Form CA16

Application Form for Deposits under Section 31(6) of the Highways Act 1980 and Section 15A(1) of the Commons Act 2006

Please read the following guidance carefully before completing this form

1. Guidance relating to completion of this form is available from https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/241522/pb13886-commonsact-cra-guidance.pdf
Please refer to these separate notes when completing this form.
2. Parts A and F must be completed in all cases.
3. The form must be signed and dated by, or by a duly authorised representative of, every owner of land to which the application relates who is an individual, and by the secretary or some other duly authorised officer of every owner of land to which the application relates which is a body corporate or an unincorporated association.
4. In the case of land in joint ownership, all the joint owners must complete paragraphs 2 and 3 of Part A and complete and sign the application in Part F, unless a duly authorised representative completes and signs the form on behalf of all of the owners of the land. Paragraph 3 should be completed in full to clearly explain the capacity of each applicant, e.g. trustee, landowner's managing agent, executor.
5. 'Owner' is defined in Section 61(3) of the Commons Act 2006 and Section 31(7) of the Highways Act 1980 and means, broadly, a legal owner of the freehold interest in the land.
6. Where the application relates to more than one parcel of land, a description of each parcel should be included in paragraph 4 of part A and the remainder of the form should be completed to clearly identify which statement and/or declaration relates to which parcel of land. This may require the insertion of additional wording. See separate notes for further guidance. Multiple parcels of land should be clearly identified by coloured edging on any accompanying map.
7. Where a statement or declaration requires reference to colouring shown on an accompanying map or previously lodged map, the colouring must be clearly specified and must match that shown on the relevant map. For example, if a footpath is specified in a Part C declaration as shown coloured brown, the accompanying map or previously deposited map referred to must reflect that colouring.
8. An application must be accompanied by an Ordnance Survey map, or (in respect of declarations under Part C or statements under Part D of this form) refer to a map previously deposited in accordance with the Commons (Registration of Town or Village Greens) and Dedicated Highways (Landowner Statements and Declaration) (England) Regulations 2013 or (if deposited before 1 October 2013) in accordance with Section 31(6) of the Highways Act 1980. Any accompanying map must be an Ordnance Survey map at a scale of not less than 1:10,560 showing the boundary of the land to which the application relates in coloured edging.
9. An application must be accompanied by the requisite fee – please ask the appropriate authority for details.
10. 'Appropriate authority' means (a) in relation to a map or statement deposited or declaration lodged under Section 31(6) of that Act, an appropriate council (as defined in Section 31(7) of the Highways Act 1980); and (b) in relation to a statement and map deposited under Section 15A(1) of the 2006 Act, a commons registration authority (defined in Section 4 of the commons Act 2006 and Section 2 of the Commons Registration Act 1965). In practice, the appropriate council and commons registration authority will usually be the same body.
