This plan has been produced to show Highway Maintainable at Public Expense (HMPE) according to our current records for the title address, and should not be used for any other purpose, as its accuracy cannot be guaranteed. This plan is based on Ordnance Survey mapping and therefore only shows the general position of the boundaries, not their exact line. Vehicular rights cannot be assumed or implied. If roadside ditches are present, the legal presumption without evidence to the contrary is that these do not form part of the HMPE. If you have any documentary evidence you wish us to consider that relates to this extent please email it to us with this plan.
