27 March 2025

Dear Resident,

CX054 - Notification of carriageway reconstruction works on the C0006 Wolverhampton Road, Codsall

As part of the Council's ongoing investment into its roads in Staffordshire, Amey Services Ltd working with Staffordshire County Council, will shortly begin carrying out works along C0006 Wolverhampton Road, (from 117 Wolverhampton Road to the junction of Pendrell Close). Works will include the removal of the existing carriageway surface and replacing it with a new surface (and associated preparatory works known as 'civil works'), alongside drainage repair, clearance and minor footway works.

From **Monday 7 April 2025**, we'll begin the first phase of the scheme. This will include the replacement and adjustment of kerbs, minor footway patching, repairs to the drainage system and cleaning and jetting the highway gullies and manholes.

These initial works will be carried out under temporary traffic signals during the daytime between the hours of **7.30am** and **4.00pm**. Temporary traffic signals may need to remain in place over night to guard open excavations and to allow for material curing times.

The civil works are due to be completed on **Thursday 17 April 2025**.

Following on from the civil works, we will begin our carriageway reconstruction works, this will include, utility survey works, the removal of the existing carriageway surface and replacing it with a new surface, along with the replacement of new road markings. Due to the size and scale of construction machines being used and to ensure the safety of the general public and workforce, this phase of works will be carried out under full road closures. The road closures will be in place from **7.30am to 5.30pm on Tuesday 22 April to Sunday 27 April 2025**. On **Wednesday 23 and Thursday 24 April 2025**, temporary traffic signals will be used during the evening, whilst we re-sett and replace the carriageway ironworks ahead of laying the new surface.

Continued overleaf....

A signed diversion route will be in place during the closures; along with designated personnel at either end of the closure points to offer assistance with residential properties and business access. Please plan ahead and allow extra time for your journeys.

Emergency services will be given access through the road closures when safe to do so.

Pedestrian access along the length of the works will be maintained throughout.

Parking restrictions will be in place at some of the shop frontages during the road closures. Additional signage will be placed at key strategic points, directing members of the public wanting to access and park for the local shops during the road closures.

Regrettably, bus stops along the scheme of works will be suspended during the road closures. If you require any further information about this service, please speak to your bus operator.

Unfortunately, with any major highway works, some disturbance is unavoidable, and there may be short delays even on the approaches to the closure points. We must ask that you drive carefully and slowly through any sections of live roadworks for both the workforces and your own safety.

During the road closure period, waste and recycling collections will remain the same, on their normal collection days.

Please note that all dates are subject to change due to operational requirements and weather conditions. Weekend working may be used where necessary.

The works may at times be noisy, and we apologise in advance for any inconvenience or disturbance caused. We'll do our best to complete the work as quickly and safely as possible. We like to thank you for your patience during this works.

This information can be made available in a range of formats and languages, including Braille and large print.

Please visit our webpage at:

<https://www.staffordshire.gov.uk/Highways/roadworks/southstaffs/Overview.aspx> for more information.

Alternatively if you have any questions about the work, or concerns about how the work is being carried out, please do not hesitate to contact us via www.staffordshire.gov.uk/reportit and quote CX054 C0006 Wolverhampton Road, Codsall.
