26 August 2025

Dear Resident,

CX045 - Notification of phase 2 carriageway reconstruction works on the A4091 Coleshill Street and Atherstone Street scheme, Fazeley

Following the completion of the carriageway reconstruction works on the A4091 Coleshill Street Traffic Island scheme in Fazeley in June 2025, Amey Services Ltd working with Staffordshire County Council, will shortly begin carrying out works on phase 2 of the carriageway reconstruction works on the A4091 Coleshill Street and Atherstone Street scheme, Fazeley. Works will take place on Coleshill Street (from the junction of New Street to number 85) and Atherstone Street from the pedestrian crossing to the junction of Victory Terrace. Works will include the removal of the existing carriageway surface and replacing it with a new surface, alongside the replacement and resetting of ironwork, ahead of the new road markings being installed.

Phase 1: From **07:30am Monday 15 September 2025**, we'll begin the first phase of the scheme on **Atherstone Street**. Works will take place, Monday to Friday between the hours of **7.30am to 6pm**. The works on Atherstone Street are due to be completed by **Monday 22 September 2025**. Please see the table below that provides details about dates, times, locations, traffic management and daytime road closures that will be in place during these works.

Timeline for works on Atherstone Street (phase 1) Dates as a guide only and are subject to change			
Traffic management	Date & Times	Section of road whereby properties/businesses affected	Further information
Lane closure and lane narrowing	15.09.2025 (07:30am-6pm)	Atherstone Street -access to businesses/ properties maintained	Removal of ironwork
Daytime road closure & diversion	16.09.2025 (07:30am -6pm) Restricted on street parking	From the Coleshill Street traffic island to the junction of Brook End on Atherstone Street. Restricted on street parking	Utility survey (Access to business/ properties via local diversion)
Daytime road closures & diversion	17.09.2025 – 22.09.2025 (07:30am-6pm) Weekday working. Restricted on street parking	From the Coleshill Street traffic island to the junction of Brook End on Atherstone Street. Restricted on street parking	Carriageway resurfacing/resetting of ironwork and road markings (Access to business/ properties via local diversion)

Phase 2: From **Monday 22 September 2025** we'll begin phase 2 of the works on **Coleshill Street**. Works will take place, Monday to Friday between the hours of **9am to 3pm**. The works on Atherstone Street are due to be completed by **Friday 10 October 2025**. Road closures will take place on Coleshill Street following the school drop off at 9am and the road will reopen at 3pm ahead of school pick up. Please see the table below that provides details about dates, times, locations, traffic management and daytime road closures that will be in place during these works.

Timeline for works on Coleshill Street (phase 2) Dates as a guide only and are subject to change			
Traffic management	Date & Times	Section of road whereby properties/businesses affected	Further information
Multi way temporary traffic lights	22.09.2025 & 23.09.2025 (09:00am-3pm) Weekday working	Coleshill Street from the junction of New Street to 85 Coleshill Street	Removal of ironwork
Daytime road closure & diversion	24.09.2025 (09:00am-3pm) Restricted on street parking	Coleshill Street from the junction of New Street to 85 Coleshill Street Restricted on street parking	Utility survey (Access to business/properties via local diversion)
Daytime road closures & diversion	25.09.2025 – 10.10.2025 (09:00am-3pm) Weekday working. Restricted on street parking	Coleshill Street from the junction of New Street to 85 Coleshill Street. Restricted on street parking	Carriageway resurfacing/resetting of ironwork and road markings (Access to business/properties via local diversion)

Please note that during the daytime road closures of phase 1 and phase 2, there will not be on street parking available, due to the road being closed and impassable to traffic. Alternative parking during the road closures is being provided by Fazeley Town Council at The Fazeley Town Hall car park. Businesses along the areas of work will be open as usual with limited access for periods of time whilst materials are being removed and cured. This is for safety of the public and the safety of the workforce. Additional signage will be placed at key strategic points, directing members of the public wanting to access for local businesses during the road closures. Designated personnel will be positioned at either end of the closure points to offer advice and assist with access to properties and businesses within the closure points.

Due to the size and scale of construction machines being used and to ensure the safety of the general public and workforce, road closures will be in place during the scheme of works as the carriageway will be impassable. Outside of road closure times, the roads will remain open.

A signed diversion route will be in place during the closures; along with designated personnel at either end of the closure points to offer assistance with residential properties and business access. Please plan ahead and allow extra time for your journeys.

Emergency services will be given access through the road closures when safe to do so.

Pedestrian access along the length of the works will be maintained throughout.

Regrettably, bus stops along the scheme of works will be suspended during the road closures. If you require any further information about this service, please speak to your bus operator.

Unfortunately, with any major highway works, some disturbance is unavoidable, and there may be short delays even on the approaches to the closure points. We must ask that you drive carefully and slowly through any sections of live roadworks for both the workforces and your own safety.

During the road closure period, waste and recycling collections will remain the same, on their normal collection days.

Please note that all dates are subject to change due to operational requirements and weather conditions. Weekend working may be used where necessary.

The works may at times be noisy, and we apologise in advance for any inconvenience or disturbance caused. We'll do our best to complete the work as quickly and safely as possible. We like to thank you for your patience during this works.

This information can be made available in a range of formats and languages, including Braille and large print. **Please quote CX045 - Notification of phase 2 carriageway reconstruction works on the A4091 Colehill Street and Atherstone Street scheme, Fazeley**
