INTRODUCTION

This report presents the 2018 Key Stage Two (KS2) results for Staffordshire.

KS2 Tests (SATs) are taken by 11 year olds at the end of primary phase of schooling. Pupils are assessed using national curriculum tests for reading, mathematics and spelling, punctuation and grammar, while teacher assessments are used to establish results for writing, using a national framework as a success criteria. To reach the expected standard in all subjects, a pupil must achieve a scaled score of 100 or more in reading and maths tests and an outcome of 'working at the expected standard' or 'working at greater depth' in writing. It should be noted that 2018 attainment scores in writing and in the reading, writing and maths combined measure are not directly comparable to previous years because of changes to writing teacher assessment frameworks.

Those children that are recorded as absent will be due to prolonged absence that means teachers cannot make an assessment. An example of this will be children that have been hospitalised for long periods of the academic year.

If a child is disapplied, this means they are unable to undertake a particular assessment, for example a child that cannot physically write, but who dictates their answer instead would be disapplied for the writing assessment.

Please note, any report with fewer than five pupils has been suppressed in accordance with standard Department for Education (DfE) guidelines.
