

how we help you?

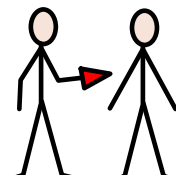

how

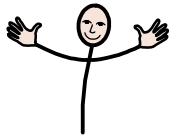

we

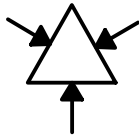

help

you?

Welcome

to the

how

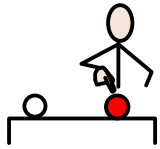

we

help

you

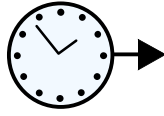

book.

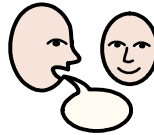

This

book

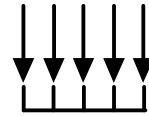

will

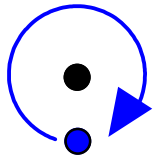

tell

you

all

about

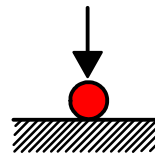

the

people

who

are

here

to

care for

you.

If

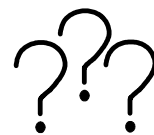

you

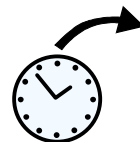

have

any

questions

just

ask

your

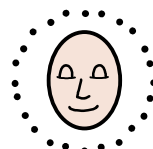

Social Worker

or

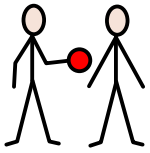

someone

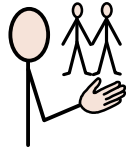

you

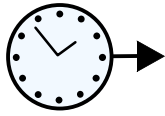

trust.

Your

Social Worker:

You

will

have

a

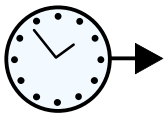

special

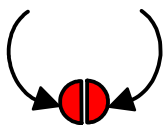

grown up

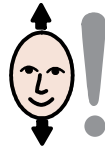

who

will

make

sure

you

are

happy,

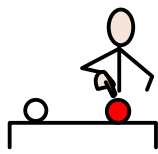

healthy

and

safe.

This

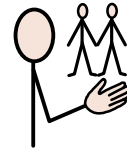

person

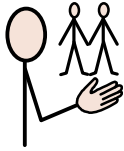

is

called

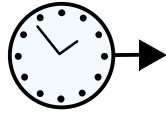

a

Social Worker.

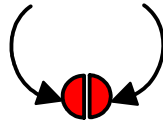

Your Social Worker

will

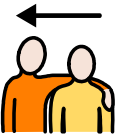

make

sure

you are

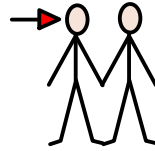

looked after

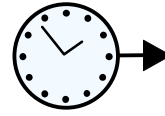

well

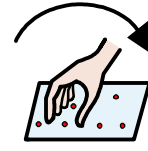

and

they

will

try

to

help

you

if

you

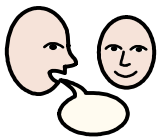

have

a

problem.

You

can

talk to

your

Social Worker

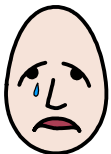

if

you

are

worried

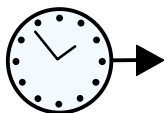

or

upset.

Your Social Worker

will

come

and

see

you

at

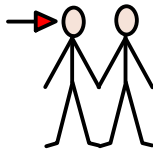

your

home

when

they

can.

Your

Social Worker

may

not

be able

to

see

you

as much as

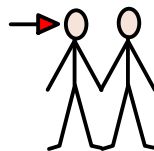

you

would

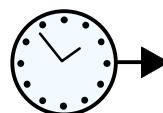

like,

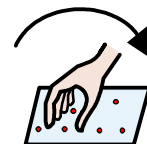

but

they

will

try

to

see

you

as much as

possible.

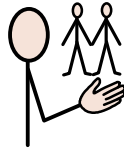

What

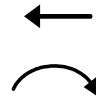

things

has

your

Social Worker

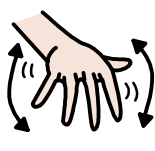

done

for

you?

What

would

you

like

your

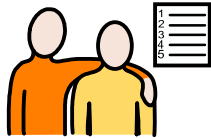

Social Worker

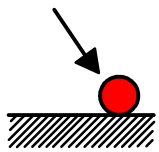

to

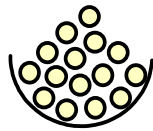

do?

Your Care Plan:

There are

lots of

people

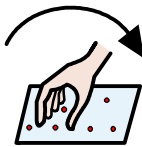

who

are

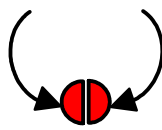

going

to

try

and

make

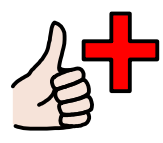

sure

you're

happy,

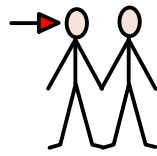

healthy

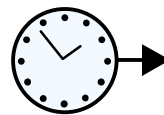

and

safe,

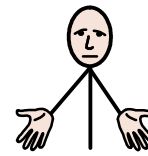

but

they

will

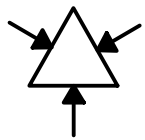

need

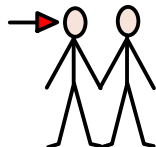

to

know

how

they

are

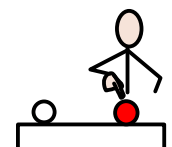

going

to

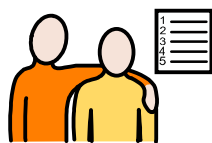

look after

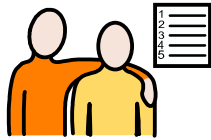

you.

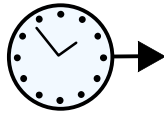

This

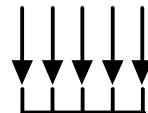

is called a care plan.

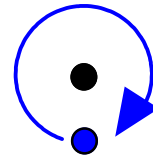

Your care plan

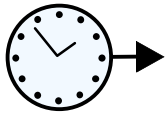

will be

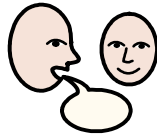

all

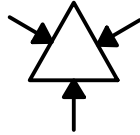

about you and

will

say

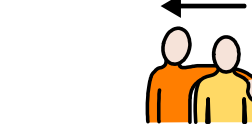

how

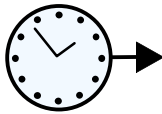

you

should

be looked after.

It will

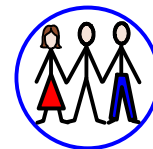

talk about

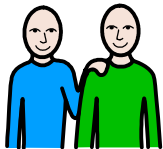

things

like your

family,

friends,

school,

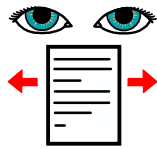

health

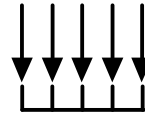

and

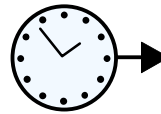

hobbies.

Your Review:

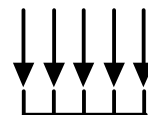

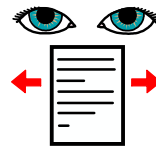

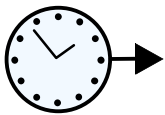

A review is when you and all the adults

who are responsible for you will sit down and

talk about how you are getting on and plan for your

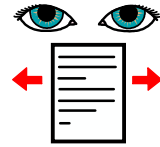

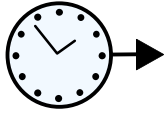

6

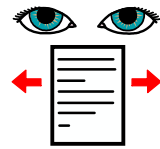

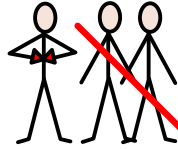

future. You will have a review every six

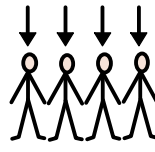

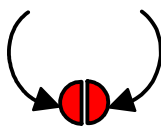

months.

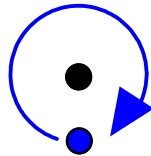

There will be an adult at your review

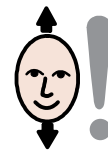

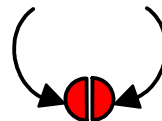

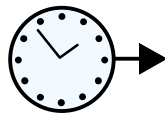

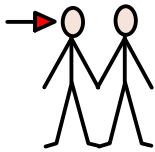

who's job is an Independent Reviewing Officer.

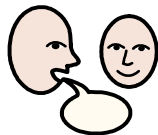

This person will make sure everyone at your

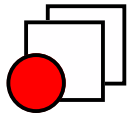

review is talking about what is best for

you. They will also make sure you can

have a say.

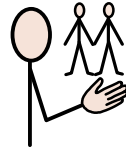

Before

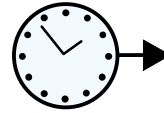

your

review

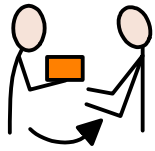

your

Social Worker

will

give

you

a

special

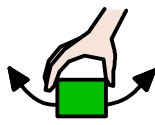

booklet

which

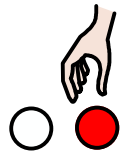

you

can

use

to

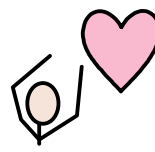

decide

what

you

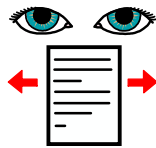

want to

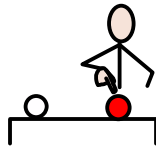

talk about

at

your

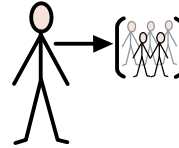

review.

This

booklet

belongs

to

you.

Do

you

have

any

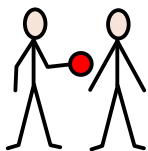

questions

you

can

ask

your

social worker?
